Dates :

February 22 12 AM to May 10, 2017 12 AM

Ricoh and Eco-Business have launched the inaugural Eco Action Day Circular Economy Challenge, in search for sustainable solutions for Singapore.

It is part of Ricoh's Eco Action Day annual nationwide campaign encouraging awareness and action for the environment, which culminates in the celebration of World Environment Day on June 5.

The Challenge is open to tertiary students and young professionals between the ages of 17 and 30 in teams of four. Shortlisted teams present to a panel of distinguished judges.

The solution may be applied to a specific company or sector and must apply circular economy principles to improve sustainable consumption and production patterns in the city state.

Submission deadline: 10 May 2017
